

Become an Adult English Coach with Lead with Purpose Foundation – Inspire, Mentor, and Empower!

Are you passionate about helping others improve their English skills? Do you want to mentor high school students while supporting working professionals who speak English as a second language? Join us as an Adult English Coach and make a lasting impact!

Program Overview

We host three sessions per year and offer three interactive one-hour classes per week (PST):

- Tuesdays at 8:30 PM
- Fridays at 8:30 PM
- Fridays at 9:00 AM

Coaches have the flexibility to choose which class(es) to lead based on their availability. Each class is intentionally kept small to foster personalized attention, meaningful engagement, and real progress.

Your Role as an Adult English Coach

As a volunteer coach, your primary responsibility is to provide constructive feedback on students' speeches, helping them build confidence and fluency in spoken English. Our students come from diverse backgrounds and varying proficiency levels, making your guidance essential in creating an inclusive and supportive learning environment.

Additionally, high school students serve as assistant coaches in most classes (except the Friday morning session). As an adult coach, you play a pivotal role in mentoring these young leaders, shaping their confidence, leadership skills, and ability to teach others.

Why This Program Matters

The English Enhancement Program is designed to empower working adults who speak English as a second language while also fostering leadership and service opportunities for high school students. Our key objectives include:

1. Providing meaningful community service experiences for high school students.
2. Creating an enriching volunteer opportunity for native English speakers.
3. Improving English communication skills for educated immigrants.
4. Encouraging growth and leadership in high schoolers through reading selections and coaching experiences.

Why Volunteer with Us?

- Flexible scheduling – choose sessions that fit your availability.
- A rewarding and engaging experience – connect with a diverse community.
- Zero pressure or long-term commitment – adjust your schedule as needed.
- A highly respected role – make a meaningful impact while receiving appreciation and recognition.

Join Us & Make a Difference!

Help us build a supportive and inspiring learning community where adults can gain confidence in English and high school students can grow as leaders.
